### **CERTIFICATE OF ELECTION OF DELEGATES (BY A LOCAL CHURCH) TO A DISTRICT ASSEMBLY**

*Manual* paragraph 113.14 states that "...there shall be an election, by ballot, of lay delegates to the district assembly..."

A district assembly is a business meeting. Because of that, in the strictest sense, we have to follow our bylaws (*Church Manual*) and rules of order. In order for this to be a legal meeting, this is something that is required. This should not be taken lightly.

Each church has a right and privilege to be represented at the district assembly.

Following the completion of the annual church meeting, it is vital that every local church submit a Certificate of Election of Delegates form to the district office. This completed, signed form is the official verification of eligible **lay** delegates elected to represent the local church at their upcoming district assembly. Failure to comply could cause a local church to forfeit their delegate representation at a district assembly.

General Secretary
