

**VOLUNTEER
MINISTRY**

THEME OF 2018 DISTRICT NMI CONVENTION: "BE COURAGEOUSLY INTENTIONAL".
CONVENTION SPEAKERS: GREG AND AMY CROFFORD FROM AFRICAN NAZARENE UNIVERSITY.

Don't miss your chance to be a part of a W&W Trip to ENC, May 28-June 2, 2018.

This fits right in with our January Emphasis: **Volunteer Ministries**

Did You Know? The number of organized local NMIs has continued to increase and is the highest in our history.

JESUS Film In 2008, a large JESUS Film equipment set weighed up to 200 pounds. Today a mini solar set weighs less than 25 pounds.

Living Side by Side "Who knows what can happen when God burdens tender hearts to join Him in His mission of reaching people in need! You will rejoice as you read about committed servants who labor together with God in a small Texas town where people have immigrated from all over the world. You will be challenged to find the mission field in your community and get involved."
